Welcome

Welcome to the Maine Integrated Health Management Solution (MIHMS), a state-of-the-art, HIPAA compliant Medicaid Management Information System that will process Medicaid claims when it is fully implemented in 2010.

MIHMS has been developed in partnership with Unisys Corporation, who serves as the State's fiscal agent. This new web portal will serve as your location for provider re-enrollment, new enrollment, updates to provider information, claims submission and further information regarding MaineCare billing.

We believe you will find the web portal process to be user-friendly and streamlined. If you are short on time and cannot complete the entire application, you will be able to save your work and return at a more convenient time.

If you have any questions, please contact us at 1-800-321-5557, option 8.

We thank you for your service to MaineCare members and look forward to our continued partnership in improving the health of Maine citizens.

Anthony F. Marple
Director, Office of MaineCare Services
